## WARREN GOLF LINKS LIVELY

Devotees of the Grass Field Game Get Ready for Season on Greens

### DINNER MATCH SET

"Fore!" This is the cry that will soon be heard ringing out over the links of the Warren District Country Club, followed by the sharp crack of contact between wood and gutta percha. The golf season is all but begun and the days of preliminary practice are now at hand. The first of the real events will occur with the first Sunday in October and in the meantime the swing and the form that have been laid aside in the summer months must be resurrected and rehabilitated. There will be playing on the links Sunday.

In the past summer the frequent rains brought more than the usual amount of work to put the course into shape. The greens committee found the fair greens thoroughly grown over with grass and weeds, there was a fine crop of hay and half the members of the committee are now sneezing with hay fever as a result of their efforts to clear the course. But the problem is solved.

### Mexicans Clear Course.

A big gang of Mexican laborers, immune to hay fever were put out on the work and at midweek the course was about half cleared. It is expected to be playable Sunday and with this announcement the committee believes there will be a goodly turnout of the golf contingent out to get into shape and enjoy their favorite fall and winter sport. The putting greens needed little attention and will be found in good condition. Frequent mowing has resulted in the forming of a well mowed surface which has needed only to be sanded to be quite as good as before the summer rains, the water has been shed from this oiled surface and there was practically no washing out.

**Dinner Match First.**  
There are two Sundays for preliminary practice and the noon match, which has been scheduled for Sunday, October 6. It is expected that the dinner in payment of the loss of the match will be given at the club house on the night of October 9.

A week later, October 15, will see the first outside engagement for on that date a picked team will be sent to Douglas to try conclusion with the experts of Sunkenstone. The committee is anxious for the local players to be out and in form before this engagement and will be watching the early form displayed to aid them in the selection of the team for that occasion.

It is stated that the coming fall, winter and spring, will be a busy season for the Warren District Country Club devotees of the ancient Scottish game. New players made their appearance toward the close of last season and the largest fields the club has ever known are expected to mark the many events that the committee is arranging and will soon announce.

**24-HOUR MOTOR CYCLE RACE.**  
NEW YORK, Sept. 19.—Devotees of cycle racing are looking forward with eager anticipation to the start tomorrow of the twenty-four-hour motor cycle race at the stadium motordrome at Brighton Beach. The contest will be the first of its kind ever staged in this country. The competitors will include teams representing England, France, Canada, Germany and the United States. Arthur Chapple of New York and Charlie Spencer of Springfield, Mass., will represent the United States. The prize list amounts to \$5,500, of which the winning team will receive \$2,500 and a gold cup emblematic of the world's championship.

## Soccer Football To Be Played at Warren Sunday

Two Contests Planned for First Day of Meet at Park at Suburb

Two games of soccer football will be played at Warren park Sunday afternoon. The first game, which will start promptly at 12 o'clock, will be an interteam conflict between Stars and Stripes, and it will be in the nature of a practice game for the later interteam conflicts.

The second game will be between the Lowell United team, champions of the Warren district league for the season of 1911, and the Knights of Columbus. This is the first year that the Knights of Columbus have been represented in the league and their team is anxious to show its metal.

The line-up of the first game, between the Stars and the Stripes, will be as follows:

Stars: Goal, Ramsey; backs, Johnson and Liddicote; half-backs, McCune, Harris and Kiebride; forwards, Madden, Beech, Henderson and Burgess.  
Stripes: Goal, Young; backs, Dockerty and Bryan; half-backs, Thompson, Brew and Walton; forwards, Whitehead, Black, Currie and Thomas. The Tomstone Canyon Stars will hold a special meeting at their headquarters Sunday afternoon at 6:30 o'clock.

### Scores Yesterday

AMERICAN LEAGUE

Sacramento at San Francisco.  
Oakland at Vernon.  
Los Angeles at Portland.

## NEW GAME LAW NOW IN EFFECT

All Hunters of Protected Game Must Secure License and Licenses Are Classified

### SYNOPSIS OF NEW LAW

The new state game law goes into effect today and the Review is in receipt of the following from County Attorney W. G. Gilmore concerning it and its operation:

TOMBSTONE, Ariz., Sept. 17.—So much inquiry has been made concerning the new game law which goes into effect Sept. 20, 1912, that I will give you a short synopsis of the law in order that you may publish the same and trust it will be appreciated by the hunting public.

First no person shall hunt any protected game without first having a hunting license for the year in which such shooting is done. Licenses shall be issued by the clerk of the board of supervisors, state game warden, or his deputies.

Licenses are classified as follows: First, a general hunting license entitling the licensee to hunt game quadrupeds, birds, etc. Second, a big game license entitling the licensee to hunt game quadrupeds during the open season, (wild turkeys are classified as big game); Third, a bird license entitling the person therein named to hunt game birds.

Second, any person of the age of twelve (12) years or over, may, if a non-resident or alien procure a hunting license by filing a certificate with the clerk of the supervisors, game warden, or deputy, stating therein his name, age, height, weight, place of residence, P. O. address and color of hair and eyes. Each hunting license expires with the calendar year in which issued.

Third, any person who has been a bona fide resident of this state for the year last passed, may procure a resident license. Any person not a bona fide resident of this state, but who is a bona fide resident of the United States may procure a non-resident license. Any unnaturalized foreign born person who has lived in this state for the one year then last past, shall be entitled to secure a resident-alien hunting license.

Fourth, the possession of game at any time unaccompanied by a proper and valid license, shall be prima facie evidence that such game was unlawfully taken. The open season for hunting is as follows:

(1). Male deer, and turkey from Oct. 1st to Dec. 15th.  
(2). Quail, from Oct. 15th, to Feb. 1st.

(3). Ducks and geese, from Sept. 1st to April 1st.  
(4). Doves and White Wings, July 1st to Feb. 1st.

Fifth, Antelope, female deer, fawn, and roan runners are absolutely protected.

Sixth, The right to kill game is limited as follows: male deer, two in one season; quail, twenty-five (25) in one day; ducks twenty-five (25) in one day; doves and white wings, thirty-five (35) in one day; turkeys, three (3) in one season.

Seventh, the use of steel or hard pointed bullets is prohibited.

Eighth, the state game warden, if he so elect, or any other officer charged with the enforcement of the laws relative to game and fish, if so directed by the state game warden, may bring civil action in the name of the state against any persons unlawfully killing or taking, or having unlawfully in possession, any game quadruped, bird, or fish, or part thereof, and recover for each such animal or part thereof, the following minimum sums as damages for the taking, killing, or injuring thereof, to-wit:

For each elk \$200.00.  
For each deer \$50.00.  
For each antelope \$100.00.  
For each Mountain Sheep \$200.00.  
For each bird \$10.00.

The pendency of the civil action for such damages does not affect the right of the state to proceed against the offending party in criminal action. The fees for licenses are as follows:

For general license to residents 50 cents.  
For each big game license, non-resident \$25.00.  
For each big game license, alien \$100.00.  
For each bird license, non-resident \$10.00.

For each bird license, alien \$25.00.  
Ninth, the use of a gun of larger calibre than ten (10) gauge is prohibited. It is also unlawful for any person to shoot a rifle, revolver, or shot gun, upon, from or across any public highway of the state, where there is cultivated land or dwelling houses on either side, or where a shot from such gun shall fall in, or pass over any cultivated land or dwelling houses, or among stock, or other animals grazing on land contiguous to such public highway.

Tenth, all American born persons of this state, under the age of seventeen (17) years may have the same privileges as one holding a general license, without cost, provided they are accompanied by a person holding a general license.

Eleventh, if the holder of any license shall persistently or flagrantly, or knowingly violate or contemn the violation of any of the provisions of the game laws, such license shall be revoked by the game warden after notice to the alleged violator to appear and show cause against the revocation of such license.

Twelfth, any person violating any provisions of this act shall be punished by a fine of not less than Ten (\$10.00) Dollars, nor more than One Hundred (\$100.00) Dollars, or by imprisonment of not less than ten (10) days, nor more than ninety (90) days, or by both such fine and imprisonment in the discretion of the court.

The state game warden shall be appointed by the governor of the state, within thirty days after Sept. 20th of this year, and shall hold his office for two years, or until his successor shall be appointed and qualified.

No license shall be required by a person, who during the open season, on his own land, hunts or kills any of the wild birds or animals protected by law.

Very truly yours,  
W. G. GILMORE,  
County Attorney

## CHAMPLEVE ENAMEL PINS

Beautiful and New Designs

Look at My New Rosaries

at the One Price Store.

HENKEL JEWELRY CO.

Main Street,

Phone 248,

Bisbee, Ariz.

COBB WANTS \$15,000.  
NEXT YEAR, REPORT

That Ty Cobb will ask for a \$15,000 salary next year is the report that comes from Detroit. He is getting \$9,000 now. It looks as if Ty would get the desired raise, for he is about the only indispensable thing about the Detroit club.

Owner Frank Navin realizes that it was Ty's playing which brought the American league pennant to Detroit on one or two occasions, and this year, when practically the entire Tiger team is playing "way off, Cobb is putting up as good a game as ever. He ranks first in batting, second in base stealing and is the third best run-getter in the American league. In addition to that, he's the prize drawing card of Ban Johnson's organization.

## G. O. P. COMMITTEE ISSUES ITS CALL

Organization of New Body Will Be Completed Tomorrow Evening

Those who believed that the G. O. P. was dead in Cochise county have another guess. It was only sleeping after the exertion of the battle at Benson. Chasman Gardner, of the old republican central committee, has issued a call for a meeting of the new committee, to be held at Bisbee next Saturday evening at eight o'clock at the law offices of Williams and Flanagan in the Allen building.

**New Committee to Organize.**  
At that time the new county central committee will be organized, and officers and members of the state committee elected. It is not known who will be given the chairmanship but should Gardner desire it, he probably will be given it as a reward for services rendered during the recent split in the party.

**Committees Must Soon Meet.**  
The committees of all parties must meet within ten days after the official canvass of the vote of the primary. The democratic party's committee will be organized on the evening of September 25 in Bisbee, but the progressives have not appointed the date of the organization meeting. It must meet, however, before September 26.

**The Most Original Authors.**  
The most original modern authors are not as because they advance what is new, but simply because they know how to put what they have to say as if it had never been said before.—Goethe.

Police vaudeville and pictures at the Royal tonight.

of this state, under the age of seventeen (17) years may have the same privileges as one holding a general license, without cost, provided they are accompanied by a person holding a general license.

Eleventh, if the holder of any license shall persistently or flagrantly, or knowingly violate or contemn the violation of any of the provisions of the game laws, such license shall be revoked by the game warden after notice to the alleged violator to appear and show cause against the revocation of such license.

Twelfth, any person violating any provisions of this act shall be punished by a fine of not less than Ten (\$10.00) Dollars, nor more than One Hundred (\$100.00) Dollars, or by imprisonment of not less than ten (10) days, nor more than ninety (90) days, or by both such fine and imprisonment in the discretion of the court.

The state game warden shall be appointed by the governor of the state, within thirty days after Sept. 20th of this year, and shall hold his office for two years, or until his successor shall be appointed and qualified.

No license shall be required by a person, who during the open season, on his own land, hunts or kills any of the wild birds or animals protected by law.

County Attorney

## HIGH SCHOOL ELEVEN TO BE A STRONG ONE

Bisbee Football Contenders to Be Formidable. Old Coach to Train

Eighteen candidates for positions on the Bisbee high school football team appeared on the Central School campus yesterday afternoon in response to a call from Coach Henry for candidates. It can be stated now that the team that wins from the Bisbee high school team will have a man's job on its hands, for the team will be one of the heaviest and scrappiest ever put out by the school.

Coach Henry will again coach and train the high school team. He has turned out football teams for the school for several years and has earned a reputation that extends beyond the bounds of southern Arizona for turning out fast aggregations.

He formed a tentative line-up yesterday afternoon and placed the team through a strenuous hour of signal practice, punting and other essentials. Byron Thomas, who has started for several seasons in the high school line-up, is again in the line-up and yesterday afternoon occupied his old position at left half. Benton was on hand but was not in gladiator togs and aided Coach Henry in instructing the new ones.

Nearly all of the candidates have had some experience at the game so there will be no time lost drumming the essentials into novices.

McCullough will occupy the center position unless one migrator arises to claim the job.

Verfeth is a candidate for the line and under the new rules he will prove a pillar of strength for the line.

There is a number of the old hands again offering for their old jobs and it may be stated thus early that the high school will be a strong contender for high school championship honors of southern Arizona.

**Honest Advice to Consumptives**  
Somehow there exists a vast amount of scepticism as to the possibility of curing Consumption. We state none but facts, and are sincere in what we assert.

If we were afflicted with Tuberculosis, we should do precisely what we ask others to do—take Eckman's Alternative promptly and faithfully. The reason we should do this and want you to do this is because we have for asking all Consumptives to take it, is that we have the reports of many recoveries, one of which follows:—

1619 Susquehanna Ave., Phila., Pa.  
"Gentlemen: For two years I was afflicted with hemorrhages of the lungs, the number totaled nearly one hundred. Our family physician advised another climate, as to remain would probably be fatal. However, I remained, and in February of 1902, I was taken with a severe attack of pneumonia. When I recovered sufficiently to walk about the house I was left with a frightful hacking cough, which no medicine I had taken could alleviate. It was at this time, March, 1902, that I learned of and started taking Eckman's Alternative. In a short time my cough was gone and I was pronounced well. Since that time I have had two slight attacks of pneumonia and I have resorted to no other medicine to effect a recovery.

"I am at present in excellent health and feel that as long as I can obtain Eckman's Alternative, I have no fear of Consumption. I cannot speak too highly for the good it has done."

(Signed) HOWARD L. KLOTZ.  
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in rebuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale by Lowell Drug Co., in Lowell and other leading druggists. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence. 504

**Wanted Relief.**  
In one of the West Philadelphia hospitals a woman patient in the ward was groaning with pain. At last she called to the nurse: "O nurse, I am suffering so much; I can't stand it. Won't you please give me an epidemic?"

**Improving Tobacco.**  
If you are a pipe smoker, try this: Place the core of an apple in your tobacco jar on top of your tobacco and you will be surprised at the improved flavor it imparts to the tobacco, besides keeping it moist.

**SEALSHIP OYSTERS**  
Fresh today—J. B. Angius.

**NOTICE.**  
A meeting of the members of the new republican county central committee of Cochise county, for the purpose of organization and the transaction of such other business as may properly come before the meeting, will be held September 21 at 8 p. m. at the office of Williams & Flanagan, in the Allen block, Bisbee.

(Signed) A. H. GARDNER.  
910. Cr. Refining Committee.

## SAFE REMEDY ENDS

CATARRH MISERIES

Gives Instant Relief, Cures and Prevents Catarrh and Cold in the Head

The quickest, best and safest way to cure catarrh or a cold in the head is by using a remedy that will "touch the spot" and do its work quickly without leaving bad effects. Ely's Cream Balm, which is applied to the nostrils or rubbed on the throat or chest gets right at the root of the trouble and instantly relieves even the worst case of catarrh or cold. A few minutes after applied you can feel a loosening up in the head, the pain and soreness are gone, the sense of taste, smell and hearing come back, and you feel like a different person.

Ely's Cream Balm cleanses, heals and strengthens the inflamed membranes, takes away that stuffed up feeling and dull pain in the head, relieves the throat soreness and stops the nasty discharge which is the cause of the disgusting hacking, spitting, blowing of the nose, and foul breath. Hay fever victims who are made miserable by fits of sneezing, coughing and wheezing get instant and permanent relief by the use of this simple remedy.

Don't suffer another minute. Ely's Cream Balm will relieve you immediately, and a 50 cent bottle will more than likely work a complete cure. All druggists sell it. 503.

**VERDE VALLEY ROAD NEARING CALIFORNIA**

JEROME, Ariz., Sept. 19.—The tracks of the Verde Valley railway have been laid to within ten miles of the terminal. It is thought that the railroad will be ready for use in a few weeks.

The grading contractors have all finished their jobs, with the single exception of Contractor Snider, who will not be through for three or four weeks yet. Contractor Burger has finished his contract and sent his men to the main line of the Santa Fe, where he has a large contract.

Surveying upon the site of the new town and for the grade of the branch line which is to transport the ore from the United Verde to the new smelter goes merrily on, but the town itself awaits the coming of the steam cars, when lumber and other building materials can be brought in cheaply.

**Good Holder for Safety Matches.**  
A holder for a box of safety matches, intended to be hung on a wall, but which can be folded for carrying in the pocket, is the invention of a New Yorker.

Each capsule bears the name of the doctor.  
Beware of counterfeits.

## SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed

There is nothing new about the idea of using Sage for restoring the color of the hair. Our grandmothers kept their hair dark, glossy and abundant by the use of a simple "Sage Tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of Sage leaves, and applied it to their hair with wonderfully beneficial effect.

Nowadays we don't have to resort to the old-time tiresome method of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves; and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing Sage in the proper strength, with the addition of Sulph
